### **Westbury High School is Accepting Applications for its Magnet Program**

Westbury High School is inviting all interested students to apply for a space in its Fine Arts Magnet program. The program offers classes in visual art, theater, dance, and both vocal and instrumental music, including guitar and piano. There is a special focus on musical theater.

Interested applicants may download a magnet application form at [houstonisd.org](http://houstonisd.org), or may pick one up at any middle or high school. An audition is required.

Anyone desiring further information may contact Erica Andrews, Westbury's magnet coordinator, at 713-723-6015, extension 468. Ms. Andrews can also be reached by e-mail at [eandrew@houstonisd.org](mailto:eandrew@houstonisd.org). In addition to the fine arts component, Westbury is a comprehensive high school offering a full range of courses, including AP and pre-AP options.

As a charter member of the Coalition of Essential Schools, Westbury High School continuously updates its academic and social structures to better serve its students and the community. In this century of technology-driven markets, Westbury strives to prepare students to survive economically, skillfully, socially, and artistically in order to compete in today's global society. Westbury High School is divided into seven Academies or Small Learning Communities, which focus on preparing students for specific career or collegiate paths beyond high school.
