ANIZATIONS 2009-2010

Purpose of Club

Provide music for all types of events and activities

Boys' Gym starting Aug 27

Season M-Fri and some Saturdays, Nov-April Off-
Season: Tue & Thur 4-5 (Sept-Oct)

To Promote School Spirit and student flexibility

To learn and to play chess

Provide choral music for all types of events and activities

To support and provide class activities for the 2010
graduating class of Davis High School

To build strength and flexibility and to reduce stress, open
to all students and staff

To develop speaking, research, and rhetorical skills. To
compete in area debate tournaments.

The purpose is to have fun learning about the art, film and
cuisine of France and other cultures.

To beautify the school courtyard through volunteer service

Daily Practice during the Season and intermittently during
the off season

Beginners at B3 and Advanced at A4

ANIZATIONS 2009-2010

Purpose of Club

To learn mathematics, mental math tricks, and to compete in contests

Work on anything computer and/or media related

For information about Cinco de Mayo and Black History Programs

To develop dance skill and technique and to provide school spirit

Learn about engineering design and implementation through robotics area competitions. No prior experience needed!

To spark the little minds with critical thinking & reasoning in science with fun demos, experiments & projects. Also, to prepare them for competitions-UIL, Houston NRG 2050, science olympiad.

Lead students to identify how to shape and control their destiny and reach their full potential.

Create theater productions for the Davis staff, students and community

Tutoring for students SAT prep

This is an opportunity for students to learn about auto repair and other technical skills.
