**Overview:** SAT Prep is a one semester course with half focusing on verbal and written skills and half focusing on math. Students improve vocabulary, writing skills, and math application.

**Expectations:** Students shall be:

1. Ready: arrive to class on time with appropriate supplies.
2. Respectful: respect peers' and adults' education, person, and space.
3. Responsible: complete work on time; be accountable for actions.
4. **NO GUM**, food, or drink other than water in class.

**Policies:**

1. Attendance: guidelines set in the student handbook shall be strictly enforced.
2. Tardy: guidelines set in the student handbook shall be strictly enforced.
3. Make-up work: 3 school days, not class days, shall be given for work completion; students are responsible for collecting missed work either before or after school or from their class folder during passing period.
4. Late work: work turned in after due date and time shall receive a 70% at best if turned in the next class period. All work turned in after this time shall receive a zero.
5. Test return: No exams shall leave the classroom. Students may view graded tests during class once all make-up exams have been completed. Students and/or parents may review test results and answers before/after school or during a mutually agreed upon time.

**Scope:** Throughout the nine weeks: vocabulary; reading skills; academic writing.

**Grading:**
