PARENT AND GUARDIAN'S PERMIT

I hereby give my consent for my son-daughter to compete in University Interscholastic League (UIL) approved sports, and school sponsored activities, and travel with the coach or other representative of the school on any trips.

It is understood that even though protective equipment is worn by the athlete whenever needed, the possibility of an accident still remains. Neither the UIL nor the school district assumes any responsibility in case an accident occurs.

I have read and understand the UIL rules listed above and agree that my son/daughter will abide by all the UIL rules.

The undersigned agrees to be responsible for the safe return of all equipment issued by the school to the above named student.

STUDENT INSURANCE

The Houston ISD offers limited accident insurance coverage for all 7th through 12th grade students who participate in any UIL sanctioned activity during the school year. This policy will come into effect only if the student purchases the insurance and when the student suffers an injury during a sanctioned activity.

This policy will not cover all expenses incurred, but will serve only as an "excess" insurance policy. **THE PARENTS MUST STILL ASSUME FULL FINANCIAL RESPONSIBILITY FOR ANY INJURY SUSTAINED, REGARDLESS OF ANY INSURANCE PAYMENT.**

According to the policy, you must file under your personal insurance plan and collect the benefits provided. Then you may file any unpaid portion with the Houston ISD student insurance. Remember the school's insurance is NOT GUARANTEED to pay on any claim.

I have read and understand the above notice and hereby relieve the Houston ISD of any financial responsibilities if my child requires medical care due to an injury that occurs while participating in a UIL sanctioned activity.
