4. The highest amount of points you can earn is 10 points.
5. If you practice thirty (30) minutes, three (3) times/week, you will receive ten (10) points for the chart. If you practice fifteen (15) minutes, three (3) times/week, then you will receive 9 points. If you practice ten (10) minutes three (3) times/week, then you will receive 8 points.
6. Points will be taken off if: turned in late, practice less than 90 minutes per week, or if parent has not signed the chart.
